Food is available for purchase in our concession building. See our menu. Please - Except for the birthday cake, no outside food or drink may be brought in (This is due to insurance restrictions). Baby food is allowed.

4 Steps to a Successful Party

Step 1 – Plan your party

1. Select a package...either the "Train Package" or the "Picnic Package".
2. Determine the date and time you would like to hold the party. Blocks of time are available as follows:

10:00 A.M. - Noon (Except Sunday)

12:30 P.M. - 2:30 P.M.

3:00 P.M. - 5:00 P.M.

5:30 P.M. - 7:30 P.M.

3. Determine the approximate number of kids and adults that will be attending.

Step 2 – Arrange your party

1. Call our office at 402-660-6422. If we can't answer, please leave name and telephone#, and we will return your call.
2. Tell us the package you selected...when you want to hold the party ...and approximate number of attendees. If you've selected the Picnic Package, let us know whether you prefer chicken nuggets or hotdogs. You will be the contact person.

Step 3 – Mail out the invitations

Print sample invitations from our website. You can use these samples to make your own invitations...or just as a guide in creating your own.

Important: Unless you are paying for all admits, all food and all train rides, make sure it's clear who and what is included in the invitation. The sample invitations may be helpful for this purpose.

Step 4 – On the day of the party

As the party draws to a close, we will provide you with one detailed bill for the persons who came to the party. We accept Omaha metro area checks and we honor most major credit cards. There is also an ATM nearby.

The party area inside the concession building is reserved for a two-hour period that begins with the time listed on the invitation. However, your party members may come early and stay later at no extra charge.

The contact person shall be responsible for the total bill.
